

Background information

The Research Promotion Foundation of the Republic of Cyprus is funding a research project on the regulation of takeovers and mergers at EU and national level. (Research Project: “Takeovers and Mergers in European, Cypriot and Greek Company Law” KOULTOURA//BP-NE/0514/18). The Project Coordinator is Dr. Thomas Papadopoulos, Lecturer in Business Law, Department of Law, University of Cyprus. The Host Organization is the University of Cyprus. This research funding accompanies the Cyprus Research Award for the Best Young Researcher of 2014 (category of ‘Social Sciences & Humanities’), which Dr. Thomas Papadopoulos was awarded from the Research Promotion Foundation. In the context of “the dissemination of results” of this research project, an international conference on the Cross-border Mergers Directive (Cross-border Mergers Directive: EU perspectives and national experiences) takes place. This conference aims at scrutinizing the 10th Company Law Directive on Cross-border Mergers (Directive 2005/56/EC). The conference convener is Dr. Thomas Papadopoulos. More information about the research project and the conference are available at:
